2. Access courses

Once successfully logged in, the Dashboard will be displayed.

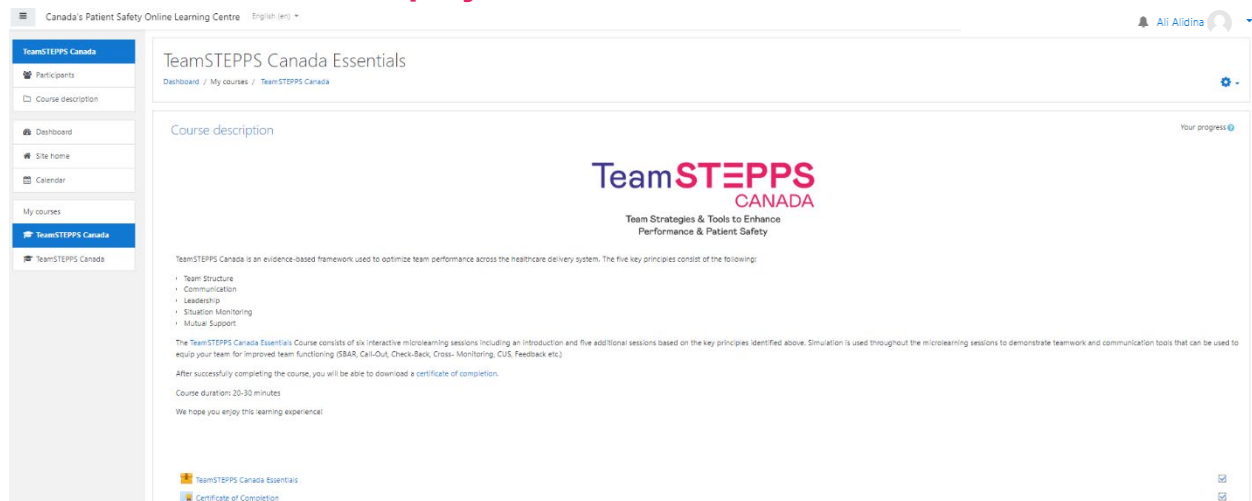

All courses you have enrolled in will be displayed on the Dashboard.

To access a course, click on the desired Course name.

The screenshot shows the 'Canada's Patient Safety Online Learning Centre' dashboard. The user is logged in as 'Ali Ahdina'. The dashboard features a sidebar with navigation options: Dashboard, Site home, Calendar, My courses, TeamSTEPS Canada, and TeamSTEPS Canada. The main content area is titled 'Course overview' and displays a list of courses. The course 'TeamSTEPS Canada Essentials' is highlighted with a red box and shows a progress bar at 100% complete. Below this, there is a section for 'Available courses' with a link to 'TeamSTEPS Canada Essentials'. The course description includes the TeamSTEPS CANADA logo and the text: 'Team Strategies & Tools to Enhance Performance & Patient Safety'. It also lists five key principles: Team Structure, Communication, Leadership, Situation Monitoring, and Mutual Support.

3. Selected course displayed

The screenshot shows the 'TeamSTEPS Canada Essentials' course description page. The user is logged in as 'Ali Ahdina'. The page features a sidebar with navigation options: Participants, Course description, Dashboard, Site home, Calendar, My courses, TeamSTEPS Canada, and TeamSTEPS Canada. The main content area is titled 'TeamSTEPS Canada Essentials' and displays the course description. The description includes the TeamSTEPS CANADA logo and the text: 'Team Strategies & Tools to Enhance Performance & Patient Safety'. It also lists five key principles: Team Structure, Communication, Leadership, Situation Monitoring, and Mutual Support. The description further states: 'The TeamSTEPS Canada Essentials Course consists of six interactive microlearning sessions including an Introduction and five additional sessions based on the key principles identified above. Simulation is used throughout the microlearning sessions to demonstrate teamwork and communication tools that can be used to equip your team for improved team functioning (SBAR, Call-Out, Check-Back, Cross-Monitoring, CUS, Feedback etc). After successfully completing the course, you will be able to download a certificate of completion. Course duration: 20-30 minutes. We hope you enjoy this learning experience!'. At the bottom, there are two download links: 'TeamSTEPS Canada Essentials' and 'Certificate of Completion'.
